

# TRIVIA NIGHT | HOW TO PLAY

## Requirements & Preparation:

- The Film Society will be using two platforms to create an interactive Trivia experience – ZOOM & KAHOOT.
- To create the best experience, it is suggested to use a computer to connect to Zoom and download the Kahoot App onto your mobile device or tablet.
- Zoom on a computer will enable you to see the trivia questions, watch any attached content and interact with other participants. (Zoom can be accessed through an app or your browser) – we suggest using the app.
- The Kahoot App will act as a controller, this is how you will record your trivia answers. You will not see the trivia questions through the app. You will not need to create a Kahoot account to participate. This Kahoot app icon looks like this  →
- Note: You may access Kahoot through a browser on your computer in lieu of downloading the app – we have found it difficult to toggle between the Zoom window and Kahoot window when time is a factor, but it is possible.

## Steps to play:

1. Register to participate in upcoming Trivia nights [HERE](#)
2. Once registered, you will receive a Zoom link confirmation that may be added to your calendar. You can register at any time leading up until when that nights Trivia begins.
3. The Trivia room will open 15 minutes prior to the scheduled Trivia start time – use the Zoom link provided to enter
4. Once you have entered the Trivia Room you will be provided with a Kahoot Pin #
5. Open the Kahoot App on your mobile device or tablet, click this icon  (located bottom middle)
  - a. If you choose to use Kahoot via the browser, navigate [HERE](#).
6. Enter the Pin
7. You will be prompted for an email address & player name. The email address is so that we can keep track of players scores week to week, even if you choose a different player name. Other players will see your player name, not your email.
8. You now ready to play!

## About the Questions:

- Trivia nights will consist of 20-25 questions which will be film and/or Film Society related.
- You will answer all questions via the Kahoot App or in the Kahoot browser window. Remember that you will not see the questions via Kahoot – questions will be viewable in Zoom.
- There are 5 types of questions.
  1. Multiple Choice, choose one
  2. Multiple Choice, choose all that apply
  3. True/False
  4. Open ended – you will be prompted to type in an answer
  5. Puzzle – arrange items according to the directions

Note: Some questions will be accompanied my media – pictures or video – which are vital to answer the question correctly.

## Scoring:

- There will be two rounds. Round 1 questions will be worth 1000 points each, round 2 questions will be worth 2000 points each.

- Points are awarded based on speed of answer. The quicker you answer, the more points you will receive (if your answer is correct).
- Kahoot will be tallying points after each question. Top two players at the end will be awarded with prizes.
- DO NOT USE back or refresh buttons, this will exit you from the game and when you rejoin, your score will be 0 – eek!

### **Rules:**

- Be on-time. The trivia room will be locked once questions begin.
- Be courteous to all players and host(s)
- Use of profane language, derogatory statements, or mistreatment of others will not be tolerated
- Keep player names family friendly
- While questions are being read, please refrain from talking and/or mute yourself.
- The host or Film Society has the right to remove players from the Zoom at any time
- Trivia is FREE to play. Please consider making an additional small donation, no amount is too small. DONATE [HERE](#)
- Enjoy!
